

June 12th - 15th 2023

(WEEK) TWO IS BETTER THAN ONE!!

The first week of PSA was amazing! Thank you parents for sending your scholars ready to learn and have a great day, everyday! Last week, our scholars got the chance to start making new connections. One being with our new Web Design and Graphic Arts instructor, Kyla Rainey! She will be assisting 6th, 7th, & 8th grades in learning Canva and Coding through the making of vision boards.

Scholars also got a taste of what's in store for the summer with trips to Big Air, Riddles Escape Room, Wonder Works, The Hollywood Wax Museum, and guest speaker Zenobia Harper. She joined us this week for a lesson about storytelling, change, and what that has become over the years. Each week gets better, so it's only uphill from here. See below for what excursions we've got coming up next week!

THIS WEEK'S LINEUP - 8:30 AM - 5 PM

Monday 6/12

PSA & SB

8:30am -
5:00pm

To register your student, call Mrs.
Funnye at 843-340-3628

WE PROVIDE TRANSPORTATION SO HOP ON
THE BUS! ASK FOR A SCHEDULE!

Question of the Week: A Parent's Perspective

Q: Has the effect of The Village Group been one you can see within your children?

A: "Most definitely. Prior to coming to camp, there was always that potential of backsliding and loss of information during the summer. But, with them coming here and the consistency within the program, retention has become a non-factor for them. They don't struggle to remember much, if any at all come the next school year." ~ Zelencia Joyner, Mother of PSA Kindergartener and 1st Grader

Scholars Spotlight

7th & 8th grade students posed before heading off for a field trip to
RIDDLES ESCAPE ROOM
