

**Job Title: Summer Program Facilitator – AI-Enhanced Learning**

**Location: Plantersville, SC**

**Duration: 6 Weeks (June 2 - July 11, 2025)/ 4 Days per week**

**Compensation: \$25-\$30/hr + \$500 bonus for program completion**

**Overview:** Seeking a tech-savvy educator to facilitate a 6-week summer program using AI-powered tools – ABii (K–8 math, reading, and SEL) and Buddy Books (reading fluency). The facilitator will guide students through these tools, monitor progress, and adjust instructional plans based on data insights.

**Responsibilities:**

- Lead daily sessions using ABii and Buddy Books for K–8 students.
- Monitor student progress, provide support, and adjust instruction.
- Maintain accurate records of student performance.
- Communicate with director, teachers, and parents regarding student progress.
- Troubleshoot minor tech issues and ensure AI tools function properly.
- Foster a positive, inclusive learning environment.
- Analyze data to assess program effectiveness and recommend adjustments.

**Qualifications:**

- Bachelor's degree in education or related field; SC teaching certification preferred.
- Experience working with K–8 students.
- Familiarity with educational technology and AI tools.
- Proficiency in data analysis (Excel, Google Sheets).
- Strong communication and interpersonal skills.

**Application Process:** Submit resume, cover letter, and references to [director@thevillagegroup.org](mailto:director@thevillagegroup.org). Applications reviewed until the position is filled.
