FIELD TRIP SPOTLIGHT

Students 7th grade and up visited SixAxis, a manufacturer in Andrews. They learned about the structures they construct, engineering careers, and took part in building models.

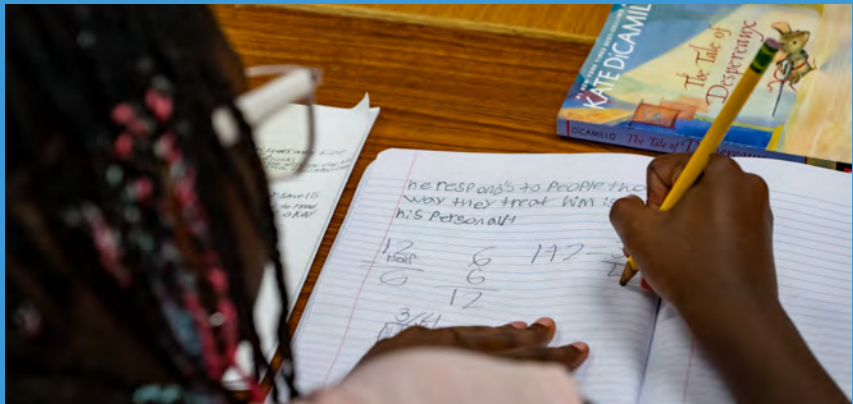

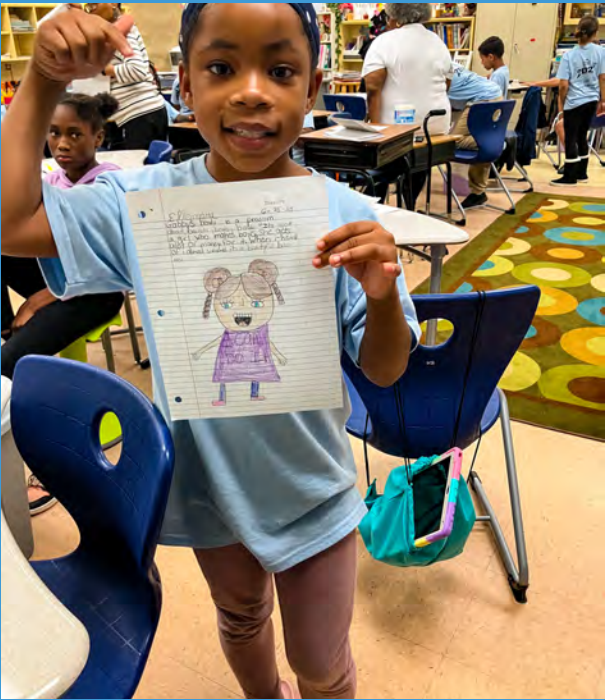

A FULL SUMMER!

PSA 6th Grade hosted a debate on "Why We Need or Don't Need Recess". We can guess what a majority decided.

Pre-K plant vegetables, learning the lifecycle of plants from a seed, and the care needed to cultivate a garden.

Students enjoyed a visitation with Gabby Bows, to learn about haircare and cosmetology. Ellenora writes " When I heard I almost screamed, its a beautiful business!"
